NEW GOLDEN ROUTE VIA HOKURIKU

Japan's New Golden Route enables foreign travelers to choose a new option to travel from Tokyo to Kyoto via the Hokuriku area. This less-explored part of Japan is generally more rural and less populated than the original Golden Route. By traveling this route with Hokuriku Shinkansen, you can enjoy natural beauty and rich culture, and partake in some experiences that are difficult to have elsewhere.

Chankonabe

ちゃんこ鍋

Chankonabe is a traditional hot pot menu that is often eaten by Japanese sumo wrestlers. You can find many chankonabe restaurants owned by former sumo wrestlers in Tokyo, especially around the Ryogoku Kokugikan Sumo Arena. The classic chicken nabe is a must-try.

©TOKYO SKYTREE

1

Imperial Palace

皇居

Built on the grounds of what used to be Edo Castle, the Imperial Palace is now where the Imperial Family of Japan spend their time at home. The surrounding nature and beautiful gardens are great for sightseeing all year round.

2 TOKYO SKYTREE®

東京スカイツリー®

Standing at 634 meters, TOKYO SKYTREE is the world's tallest freestanding broadcast tower. From the viewing deck, you can look over the city of Tokyo and Mount Fuji in the distance. The shopping area at the foot of the tower has more than 300 shops and restaurants.

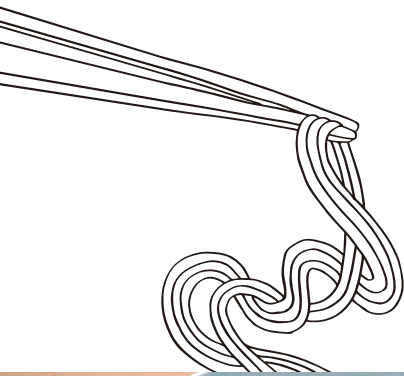

©TCVB

Saitama

<https://www.pref.saitama.lg.jp/chokotabi-saitama/eng/index.html>

Udon

うどん

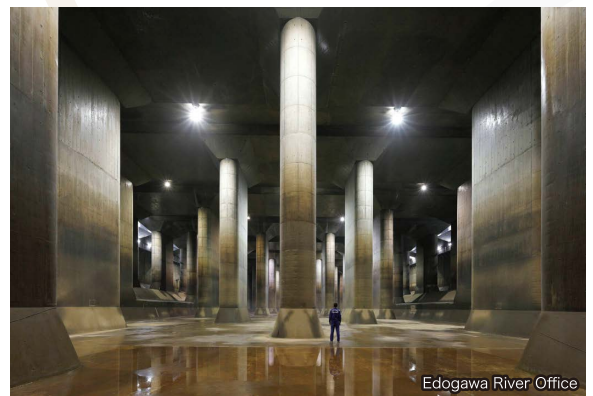

Saitama Prefecture is famous for producing the second largest amount of udon in Japan. For locals, udon has been a staple food to eat at home and for other occasions throughout the year. There are more than 20 different types of udon in total!

The Metropolitan Outer Area Underground Discharge Channel

首都圏外郭放水路

Built at 50-meters below ground level for the purpose of preventing floods, this underground channel is one of the deepest discharge channels in the world. You can make a reservation for a tour to explore the facilities.

Edogawa River Office

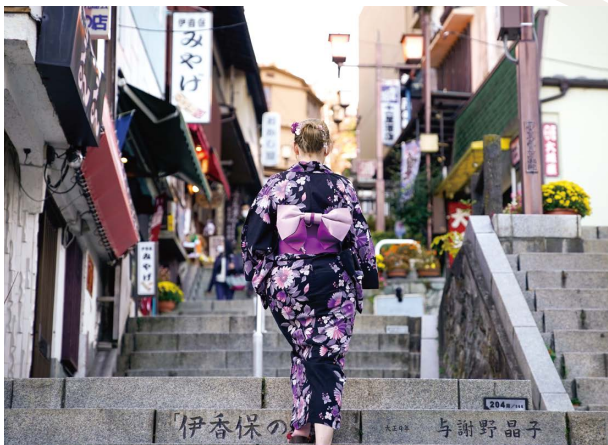

4

Kawagoe Old Storehouse Zone

川越蔵造りの町並み

Kura storehouses were developed during the Edo period to prevent fires from spreading in towns. Today, parts of the Edo period townscape remain in the Kawagoe Old Storehouse Zone.

Gunma

<https://visit-gunma.jp/en/>

5 Ikaho Onsen

伊香保温泉

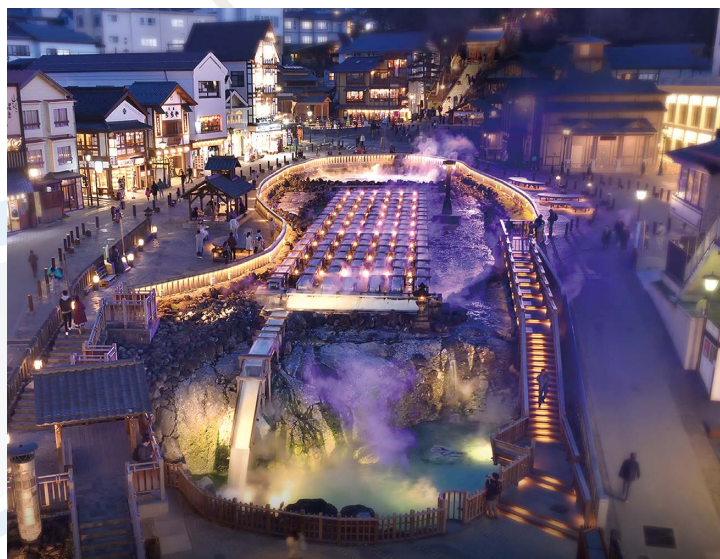

At the center of the hot springs area at Ikaho Onsen is a 365-step stairway, along which are old inns, souvenir shops and daytime bath facilities. Don a traditional yukata robe and enjoy shopping as well as onsen hopping among the picturesque town.

Sukiyaki

すき焼き

Gunma has all the ingredients you need for a sukiyaki meal, such as local beef and Shirataki noodles. Enjoy local foods in this Japanese traditional dish.

6 Kusatsu Onsen

草津温泉

Kusatsu Onsen is one of Japan's best known onsen resorts, being home to many inns and shops around the famous Yubatake, the source of the area's onsen water. Catch the Yubatake at night, when it is lit up to spectacular effect.

Nagano

<https://www.go-nagano.net/en/>

7

Matsumoto Castle

松本城

Built more than 400 years ago, Matsumoto Castle is the oldest preserved castle in Japan. In the background stands the Japanese Alps mountain range. In the same area, you can also find the Matsumoto City Museum of Art and various bars and restaurants.

©Nagano Tourism Organization

©Nagano Tourism Organization

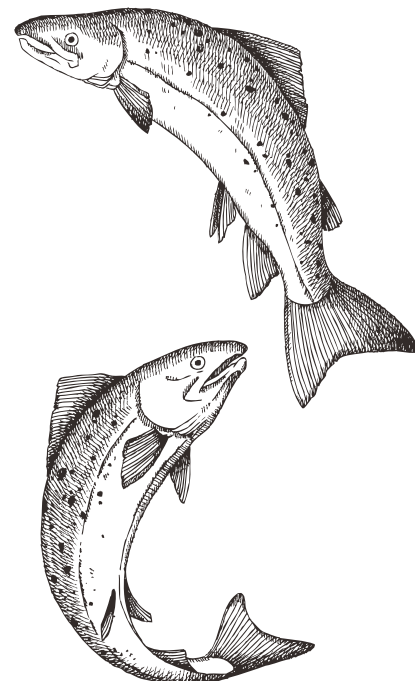

8

Nakasendo Road

中山道

During the Edo Period, Nakasendo was an important path that connected Kyoto and Edo (present-day Tokyo). The Kiso Valley Area takes you back in time as you walk through a preserved old town surrounded by a deep forest.

Shinshu Salmon

信州サーモン

Shinshu salmon has a delicate flavor and is rich in good fats and proteins. Especially delicious when eaten as sashimi or smoked, this type of salmon was locally developed in the Shinshu area.

Niigata

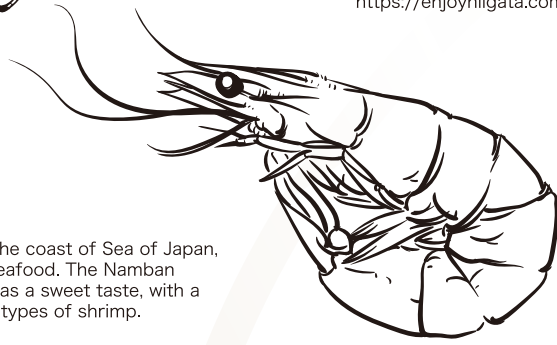

<https://enjoyniigata.com/>

Nanban Shrimp

南蛮エビ

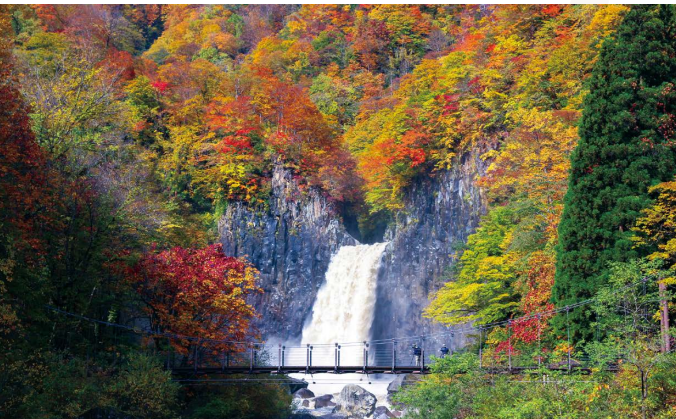

Niigata Prefecture, located along the coast of Sea of Japan, is abundant with fresh, delicious seafood. The Namban Shrimp is bright red in color and has a sweet taste, with a unique texture that is unlike other types of shrimp.

Naena Waterfall

苗名滝

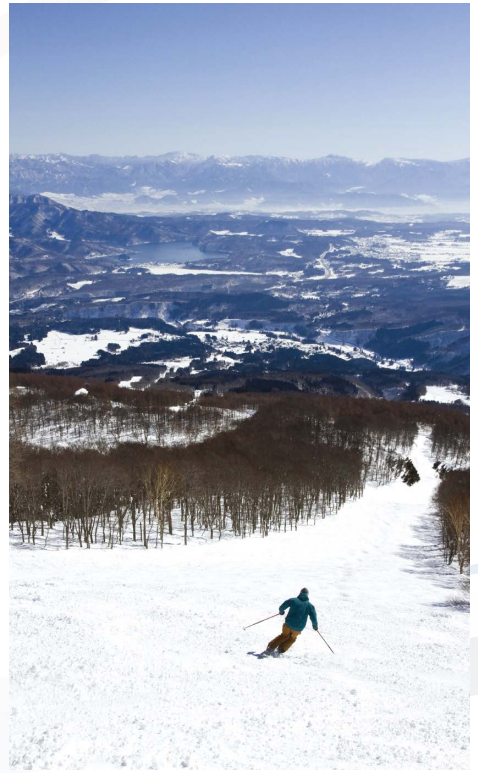

Also called the "Earthquake Waterfall", Naena Waterfall's intensity and force is breathtaking. It takes about a 15-minute walk to reach the waterfall from the entrance, and the autumn leaves around the area is especially beautiful. There is also a nagashi somen restaurant near the entrance.

Snow resorts

スキー場

Myoko is said to be one of the best ski resorts in Japan, where you can enjoy the best quality of snow. Experience a variety of winter activities at numerous skiing grounds in the area.

Toyama

<https://foreign.info-toyama.com/en/>

Toyama Bay Sushi

富山湾鮨

Toyama Bay is blessed with a variety of seafood throughout the year. At sushi bars in Toyama you can enjoy deliciously fresh, first-rate sushi caught at Toyama Bay.

11

Tateyama Kurobe Alpine Route

立山黒部アルペンルート

At 3,000-meters in altitude, the view from Tateyama Alpine Route is said to be one of the most beautiful sceneries in the world. From the route, you can see beautiful scenery and enjoy trekking through the abundant nature. Mount Tateyama, the tallest mountain in the range is said to be one of the three major holy mountains in Japan.

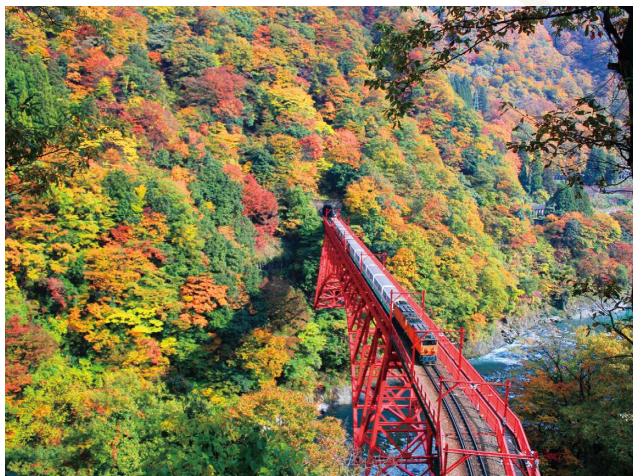

10

Kurobe Gorge Train

黒部峡谷トロッコ電車

The Kurobe Gorge Train runs above the deepest canyon in Japan. During the ride, you can enjoy the magnificent view of the wilderness below. The one hour and twenty minute ride takes you through bridges and tunnels from Unazuki to Keyaki-daira area.

Ishikawa

<https://www.ishikawatravel.jp/>

Kaga Cuisine 加賀料理

Not only delicious in taste but beautiful in presentation, Kaga Cuisine is served at traditional Japanese restaurants. Delicate dishes made with local produce are served in Kutani ware and other high-quality lacquerware.

12

21st Century Museum of Contemporary Art, Kanazawa

金沢21世紀美術館

The 21st Century Museum of Contemporary Art is a popular modern art museum that exhibits various artworks from around the world. One of the main works is Leandro Erlich's Swimming Pool, which uses optical illusion.

13

Kenrokuen Garden 兼六園

Kenrokuen is one of the most beautiful traditional Japanese gardens in the country. Built during the Edo period (1603-1867), the seasonal views there are breathtaking, such as the cherry trees in spring and the colorful leaves during fall. At night, seasonal illuminations light up various areas in the garden.

Fukui

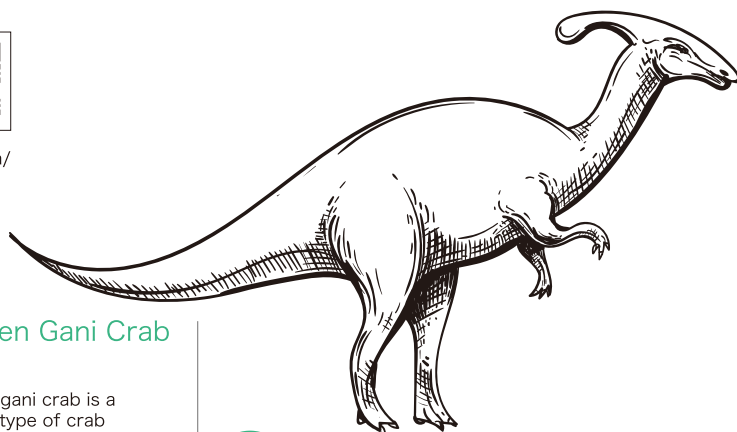

<https://www.fuku-e.com/lang/english/>

Echizen Gani Crab 越前ガニ

Echizen gani crab is a famous type of crab caught in Fukui Prefecture. The yellow tag attached to the crab confirms that it is an authentic Echizen Gani. It's a seasonal delicacy that can only be enjoyed around November to March.

15

Fukui Prefectural Dinosaur Museum

福井県立恐竜博物館

Katsuyama, Fukui Prefecture is an area with the most dinosaur fossils found in Japan. It has one of the world's three largest dinosaur museums, exhibiting dinosaur skeletons and life-sized dioramas.

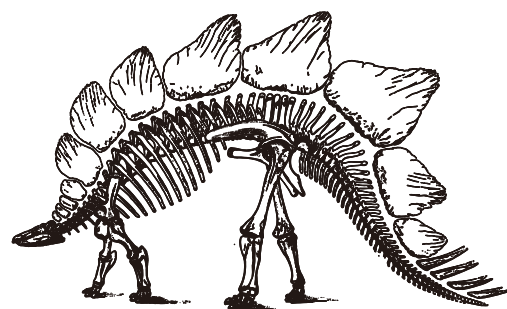

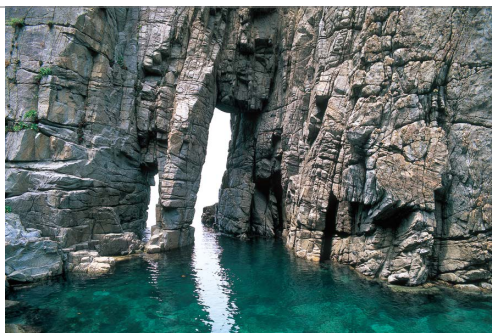

14

Sotomo Arch

蘇洞門

Sotomo Arch consists of a cave tunnel and rocks shaped by the harsh waves of the Sea of Japan. In 2017, it has been chosen as one of Japan's 34 most beautiful places by CNN.

Shiga

<https://en.biwako-visitors.jp/>

Hikone Castle

彦根城

Hikone Castle is designated as a national treasure alongside Ehime and Matsumoto castles. It is also one of the most well-preserved castles in the country. Many parts of the castle can still be seen in their original state, including the turret, which is a designated Important Cultural Property.

Omi Beef

近江牛

Omi beef, one of the top Japanese beef brands, can be found at various restaurants throughout Shiga Prefecture. Because of its delicate texture, light but sweet taste and aroma, this beef is used at the highest levels of restaurants in the world.

MIHO Museum

The MIHO Museum holds ancient artworks from not only Japan but all over the world, including West and South Asia, Greece, Rome, and China. The architecture, including the entrance path lined with cherry trees and the bridge leading to the museum, are designed by architect I.M.Pei. The design is based on the ancient Chinese 'Peach Blossom Spring' story.

Gifu

<https://visitgifu.com/>

Hida Beef

飛騨牛

Hida beef is the brand beef of Gifu Prefecture, popular for its soft texture, beautiful marble and fragrance. You can find restaurants that serve a variety of Hida beef dishes all throughout the prefecture.

Takayama Historical District

高山の古い町並み

The Takayama Historical District is designated as a "must-visit location" in Japan and has achieved 3 stars in the Michelin Green Guide. In the historical district you can observe traditional crafts and enjoy delicious, skewered Hida beef while taking a walk through the timeless neighborhood.

Shirakawa-go

白川郷

At Shirakawa Village, you can experience traditional lifestyles and cultures that are still being practiced today. Known as a place where you can see the original landscapes of Japan, its beautiful scenery and architectural techniques have helped it receive designation as a UNESCO World Heritage site.

Kyoto

<http://www.kyototourism.org/en/>

Kyoto Cuisine 京料理

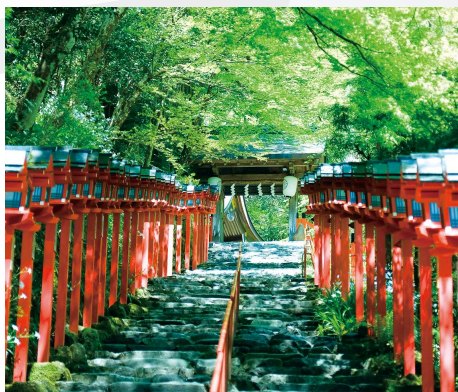

Kyo-ryori (Kyoto's local cuisine) has a subtle and delicate taste, mostly made with fresh vegetables, dried foods and soy-based ingredients. Carefully cooked and beautifully presented, Kyoto's cuisine is meant to be enjoyed with your five senses.

20

Fushimi Inari-taisha Shrine

伏見稲荷大社

Fushimi Inari-taisha Shrine is the head shrine of about 30,000 Inari shrines that exist in Japan. It is known to enshrine the gods of harvest and prosperity. The sight of the thousand red torii gates is well-recognized internationally, attracting many visitors from abroad.

21

Kifune Shrine

貴布禰總本宮 貴船神社

Kifune Shrine is the head shrine of about 500 Kifune shrines in Japan. Enshrined here is the god of water, worshipped by those who work at restaurants and other businesses that depend on the use of water.

Osaka

<https://osaka-info.jp/en/>

22

Osaka Castle

大阪城

In the 11th year of Tensho era (1583), Toyotomi Hideyoshi ordered Osaka Castle to be built as a part of the process to unite the country under one ruler. Today, it has been designated as one of the valuable cultural assets of Japan. You can enjoy the view of Osaka city from the 8th floor.

Takoyaki たこやき

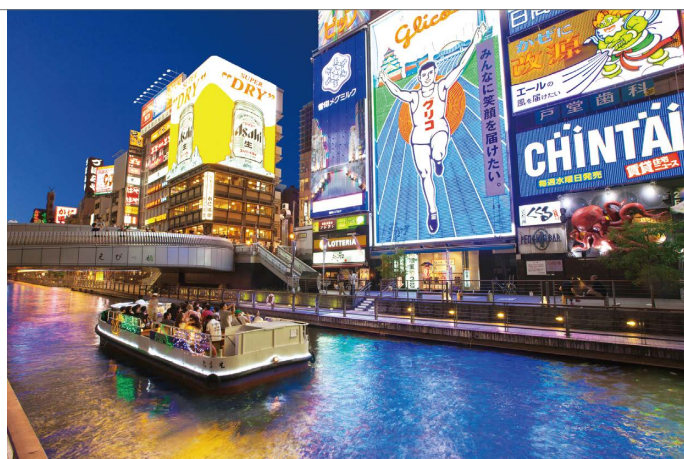

Takoyaki is a popular Japanese food that's made from flour and has a piece of tako, or octopus, in the center. The best kind of takoyaki is crunchy on the outside and juicy on the inside. Truth or not, it's said that every family has a takoyaki-making grill in Osaka.

23

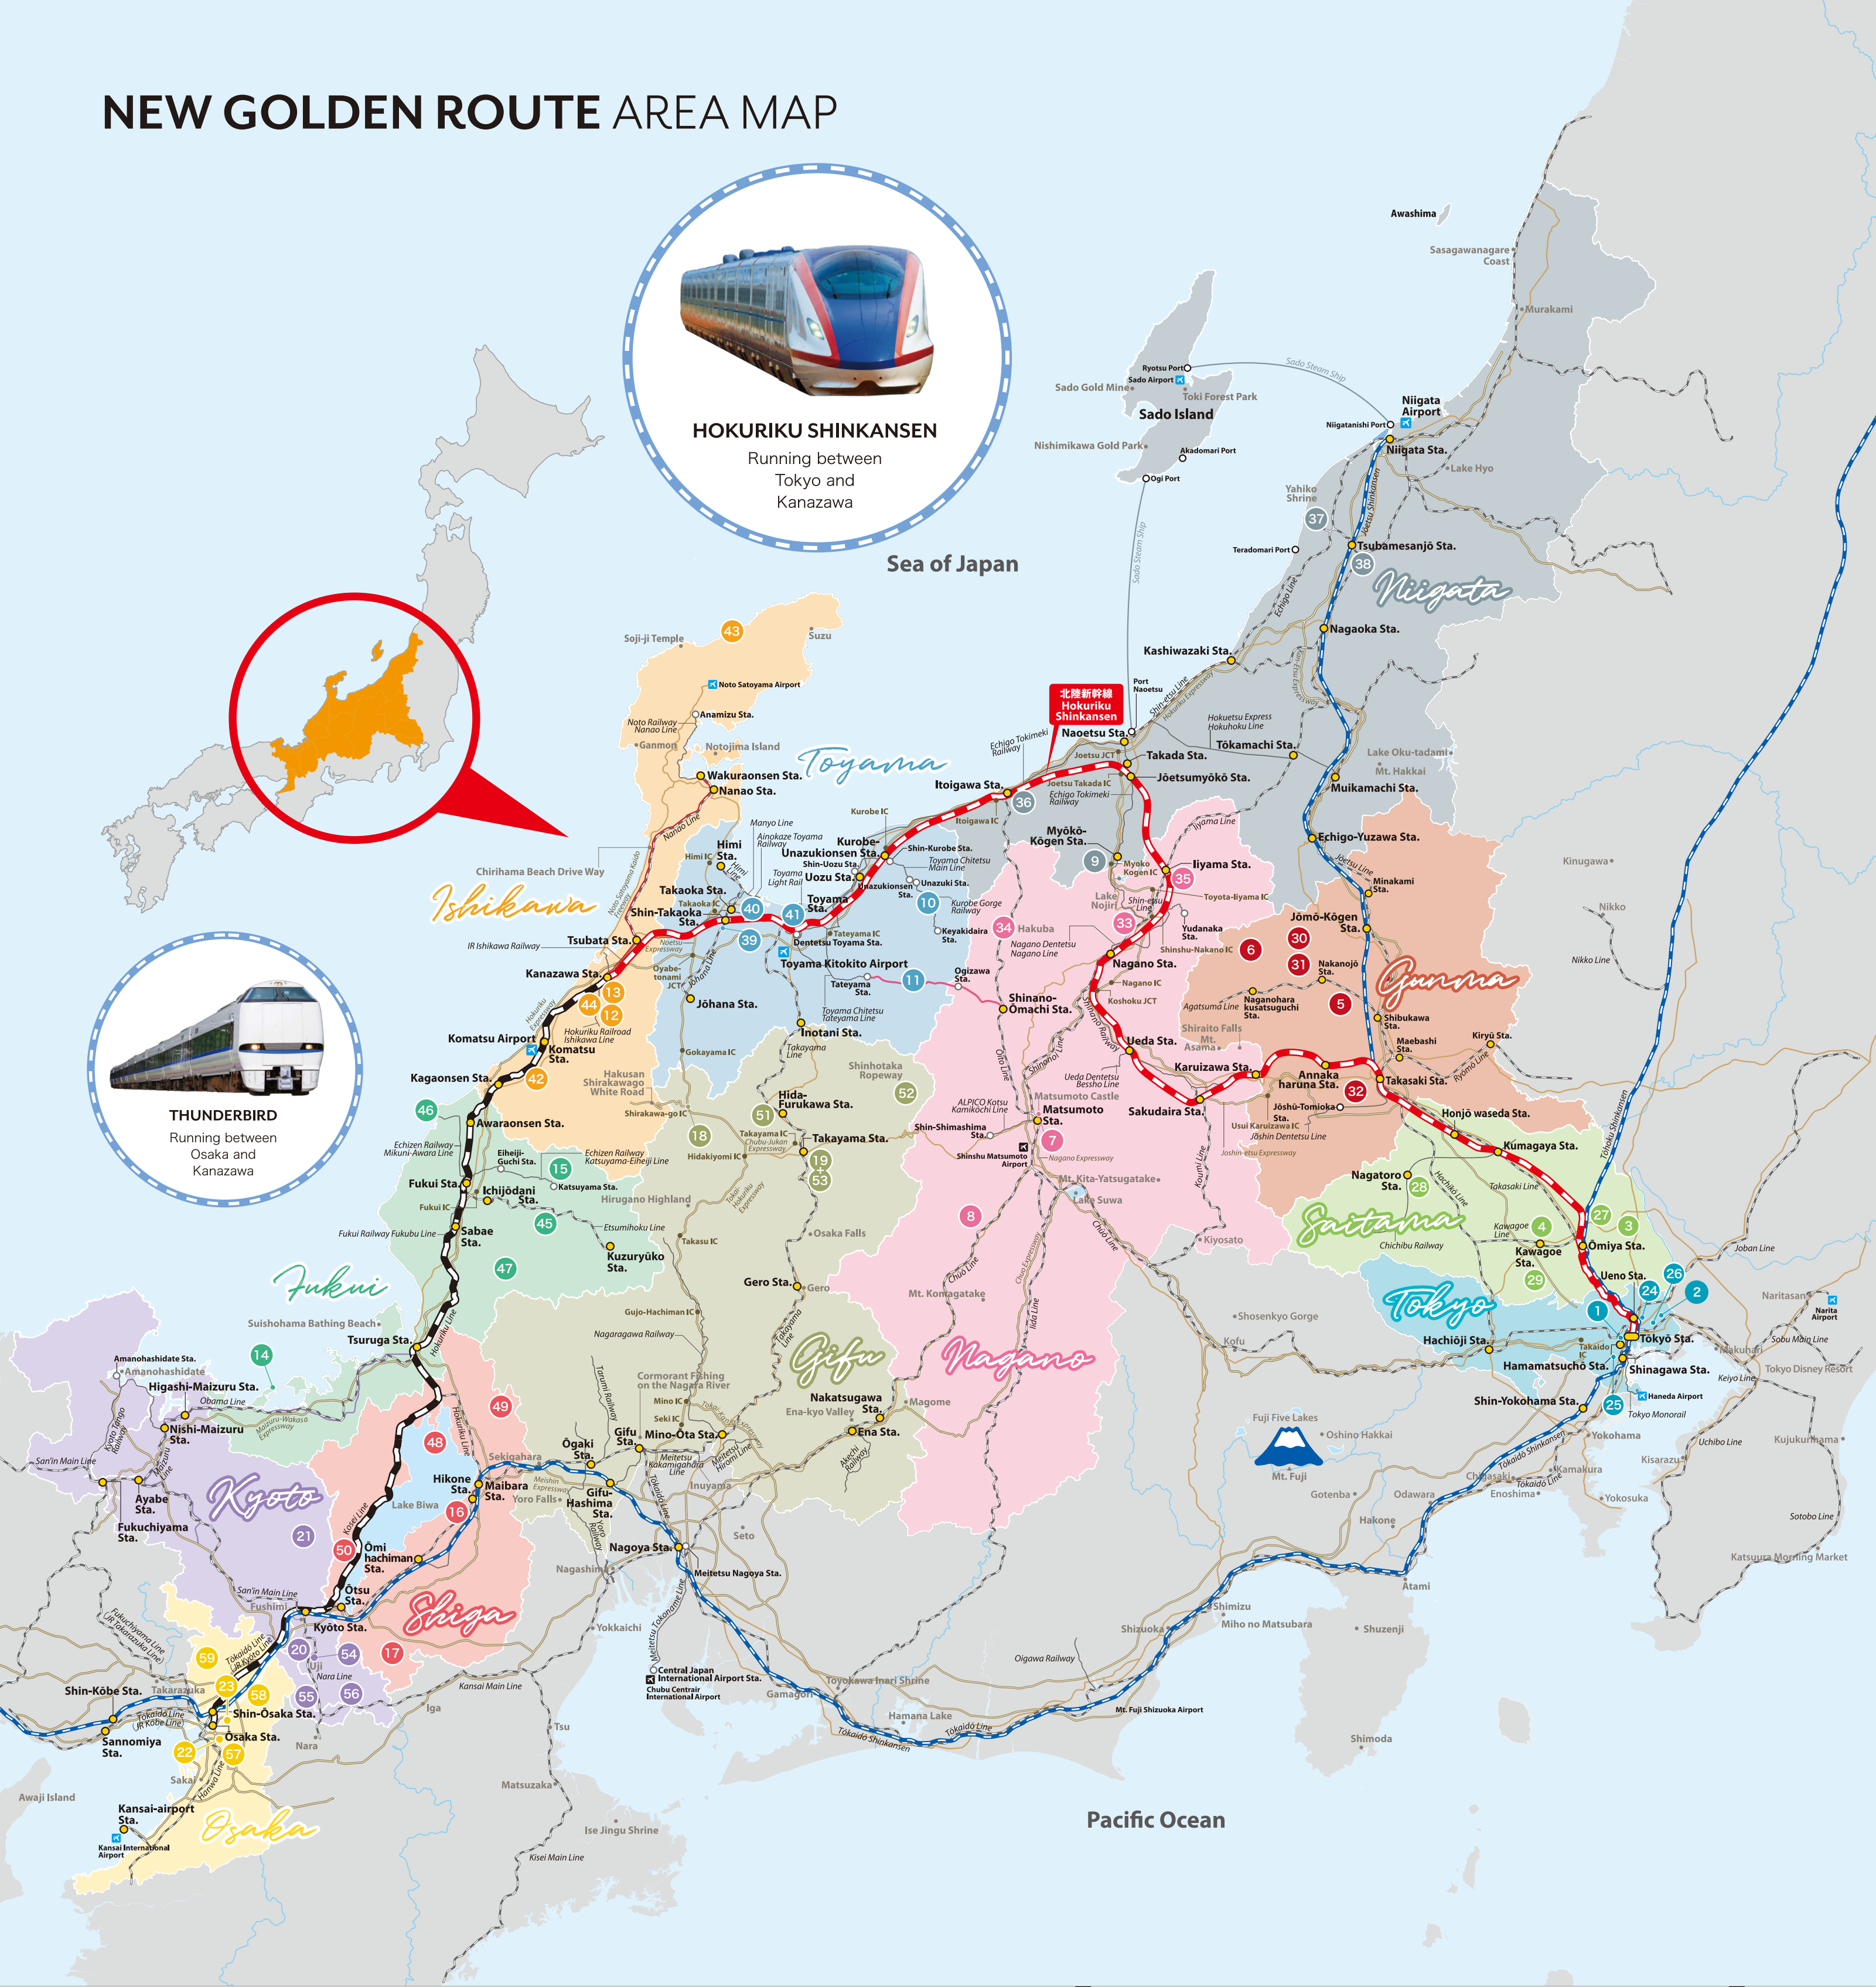

Dotonbori

道頓堀

Dotonbori is the main area in the busy shopping streets of Osaka's Minami area. Many of the eateries here have large, eye-catching signs in the effort to attract more customers. The Tomitori River Walk is recently gaining popularity as well.
