SHINJUKU

A PARTNER OF PARKROYAL HOTELS AND RESORTS

HOTEL GROOVE SHINJUKU, A PARKROYAL Hotel is the perfect base not only for steeping yourself in the after-notes of the emotions and joys you experience at entertainment venues, but for partying until you drop in Kabukicho, Shinjuku. Selected artworks and music bring color to the hotel interior, while guest rooms are focused on ease of use so they feel like your home away from home. The lower part of the reception floor acts as a social forum to connect both locals and travelers. It is home to the hotel's restaurant and bar, as well as an open terrace and party room that can be used for wedding receptions.
