Central Shinjuku
Tokyo

Situated right in the heart of Shinjuku, Citadines Central Shinjuku Tokyo is located in the heart of Tokyo, roughly nine minutes' walk from the JR Shinjuku Station, a transport hub which boasts the largest number of passengers in the world. It is located across from the Shinjuku Ward Office and has multiple train lines within walking distance (around 10 minutes), such as the Marunouchi and Fukutoshin lines from the Shinjuku 3-chome metro station, and the Oedo line from the East Shinjuku metro station, and as such is extremely convenient for moving to the heart of the city. The immediate area around the serviced residence is brimming with a myriad of restaurants, such as in the Golden Gai arcade, entertainment outlets, leading department stores, fashionable boutiques and mega-shopping complexes, all found within walking distance.
