

lyf - a new way to belong

lyf Ginza Tokyo is a new kind of stay in line with the trends of the times. It offers an unparalleled stay experience right in the heart of Tokyo's most iconic district. You'll be able to enjoy everything from world-class shopping to traditional Japanese performing arts while staying in the lyf hotel that lets you customize your stay according to your own preferences.

Just a minute walk from Tokyo Metro Kyobashi and Takaracho stations, and within walking distance of Tokyo Station and Ginza Station, the location is ideal for both leisure and business travelers. Shibuya, Shinjuku, Asakusa, and other tourist destinations are also within easy walking distance.

Shop in the luxury boutique stores of the Ginza area, discover your own favorite boutique store, experience traditional Japanese performing arts at the Kabuki-za Theater, take a stroll at the Imperial Palace, and take a deep breath to refresh your body and mind. After the event at the Tokyo International Forum, you can visit Asakusa as well—easily accessible by train—to experience Japanese culture. Stop by an art gallery or coffee shop nearby when you need some inspiration or just want to relax. lyf Ginza Tokyo is a place where you can spend your time flexibly and comfortably.

lyf Ginza Tokyo is the first lyf brand in Tokyo. It offers a new type of stay in line with the trends of the times, where you can meet people through community, feel Ginza culture, and discover your own unique way of spending time. Just a minute walk from Tokyo Metro Kyobashi and Takaracho stations, and within walking distance of Tokyo Station and Ginza Station, the location is ideal for both leisure and business travelers. Shibuya, Shinjuku, Asakusa, and other tourist destinations are also within easy walking distance.
