

"Daiyokujo" (Large bath)

Large bath provided with free flowing water directly from the source, boasting an abundant amount of hot water and rich spring quality. Relax in the Daiyokujo while enjoying its four baths with different spring water types. Ideal to relieve your fatigue.

Available at the Daiyokujo: jacuzzi; utaseyu (stream of water cascading onto one's back); sauna.

"Rotenburo" (Open-air bath)

Enjoy either the sunlight or starry sky and sent of wood while relaxing in our open-air bath.

Open from April to Mid-November.

Noboribetsu Onsen has been selected as one of the 100 best hot springs in Japan. Its rich yet gentle spring water is regarded as having excellent curative effects.

SULFUR SPRING

Has detoxifying properties and is said to be good for chronic skin diseases.

SALT SPRING
Good for neuralgia, back
pain and sensitivity to
cold.

ACIDIC IRON SPRING Good for anemia and chronic eczema.

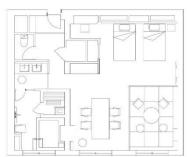

MIXED SPRING (ACIDIC IRON
AND SALT SPRING)
Combine both springs benefits but also beautify your skin.
